## RESUBMISSION OF AMENDMENT AND REMARKS

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

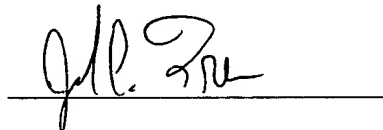

Dear Sir:

On May 14, 2004, Applicants filed an Amendment ("the Amendment") regarding the above-identified patent application. On August 25, 2004, an Office Communication was mailed indicating the Amendment changed the dependency of claims 109 and 112 without indicating their proper status. Applicants have reviewed the dependency of claims 109 and 112 and

determined that the changing of their dependency was done inadvertently. Accordingly, the dependency of claims 109 and 112 has been changed so that claim 109 depends from claim 106 and claim 112 depends from claim 17. The dependency of claims 109 and 112 as corrected is identical to that of claims 109 and 112 included in the Amendment dated November 10, 2003. Accordingly, Applicants submit that the identifier, “(Previously presented)” is not required to be replaced with the identifier, “(Currently amended)” regarding claims 109 and 112. Applicants believe that the identifiers for the rest of the claims properly indicate the current status of the amendment.

Based on the above, Applicants resubmit the Amendment including the above-mentioned corrections and the Remarks dated May 14, 2004.

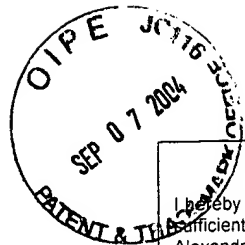

Respectfully submitted,

A handwritten signature in black ink, appearing to read "J.C. Freeman", is written over a horizontal line.
